2014- 2015 Target	100.00%	100.0%	100.0%	100.0%	100.0%	100.0%	100.0%	100.0%

Note: Information pertaining to Percentages of Highly Qualified Teachers is not available in the TEA Archives prior to the 2003-2004 school year.

Cells that contain two sets of percentages reflect both regular education teacher percentages and special education teacher percentages respectively.

Stephenville Independent School District does not have any campuses identified by TEA as “High-Poverty Schools”.
