

# Using myVRSpot

- Go to [www.sville.us](http://www.sville.us) and click on Staff.
- Click on MyVRSpot.
- Log in with your District credentials.
- The Home page will house your videos. You can upload links from the web or videos from your computer.
- Click Upload and you will have these options:
  - YouTube or Vimeo Link
  - Media from Link
  - Google Drive
  - Click to upload videos from your device.

Once uploaded, you have a link that you can use to give students either through Google Classroom or Canvas.

The screenshot displays the myVRSpot web application interface. At the top, there is a navigation bar with the Stephenville ISD logo and a grid of icons for various services: Calendar, Canvas, Classroom, District Portal, DMAC, Drive, Eduphoria, Frontline Education, Gmail, Lead4ward, MyVRSpot (highlighted with a red box), and Pearson. Below the navigation bar is a header section with the SISD logo and navigation buttons for Home, Upload, and Recorder. The main content area is titled 'Upload Media' with a note about the 5GB file size limit and a 'Copyright Disclaimer' link. It features a large dashed box for dragging and dropping files, with instructions to ensure complete uploads before leaving the page. At the bottom, there are three buttons: 'Upload YouTube or Vimeo Link', 'Upload Media from Link', and 'Upload from Google Drive'.
