eduphoria!

STEPHENVILLE ISD

The image shows the login page of the Eduphoria application. The background is a solid orange color. On the left side, there is a cartoon illustration of a white dog wearing a blue hard hat and goggles, with its right fist clenched. In the center, there is a white rectangular box containing the login form. The form has two input fields: the first is labeled 'USERNAME' and contains the text 'jennifer.ryan'; the second is labeled 'PASSWORD' and contains a series of dots. Below the password field is a 'Sign In' button. The 'eduphoria!' logo is in the top left corner, and 'STEPHENVILLE ISD' is in the top right corner.

Selection from the icon options below for data results.* You can choose EXPORT to EXCEL to see any of the options in a spreadsheet.

The screenshot shows a web application interface for viewing student scores. At the top, there are three buttons: 'Export to Excel' (with a grid icon), 'Print to PDF' (with a printer icon), and 'Export Grades' (with a group of people icon). Below these is a header bar with 'Student Scores' and a 'Charts' button. A large orange arrow points from the 'Export to Excel' button to the 'Student Scores' header. Another large orange arrow points from the 'Student Scores' header to a table. The table has columns: 'Student Name', 'Local ID', 'Special Ed Indicator', 'LEP', 'Gender', 'Ethnicity', 'Raw Score', 'Percent Score', 'Satisfactory', 'Advanced', and 'Date Taken'. Above the table, there is a title 'Second Grade Reading Benchmark' and a date 'May 31, 2017'. A third orange arrow points from the 'Advanced' column header to the table. On the right side of the table, there is a row of icons: a globe, a star, a person, a book, and a person with a checkmark.

Use drop down menu to the right to sort by student scores, objectives, etc.

If you toggle through the drop down menu and the menu options to the far right corner by charts, you will have options for VARIED reports.

Choose the GREEN shirt with ORANGE hat for individual student responses.
